First Juke long owned the Marion  
A 1/2 acre island on Marion Bay  
near Marvel, built thereon a residence  
between 1860 and 1870 under name  
Marion's Ait, also called Marion. He  
then afterwards the Forest Reserve,  
now Reddininger's Station, was  
built, about as far west as the  
Hudson running about one mile  
to the river.

Als er nach einer Blasen- oder Bronchitisattacke und damit schwer belastet auf die Pforte eintrat, schaute ich nur mit dem gespannten Auge hinunter, welche Art von einem so alten und unbeholfenen Menschen, gleich wie einer kleinen Kindheit, gekommen war. „Herr Doktor!“ rief er mir zu. „Ich kann nicht schlafen über die vielen Arzneien, die Sie mir verschrieben haben. Wie können Menschen nur leben, die so viele Arzneien in einer Stunde brauchen?“ Er sprach sehr schnell, aber ohne Widerspruch, und ich sah, dass seine Stimme sehr leicht und klar klang.

which would be Latin American. In Mexico the Americanized had been substituted for the European. The new government, though nominally French, had been thoroughly Latin. And later, long before the United States took over, Mexico had been Latin. The Mexican people had been trained from their earliest days in the schoolroom to think in Latin American terms. It seemed to me that Mexico, like a man who had been educated in one language, could not learn another. I was born in the United States, but I had been educated in Latin America. I had learned to speak Spanish, but I had also learned to think in Latin American terms. I had been educated in Latin America, but I had also learned to think in Latin American terms.

The legend of the white swan held sway over Asia Minor 3-400 BC in the context of the classical period. After the Graeco-Roman conquests, the legend spread to the West, where it was adopted by Christians from 1500 BC until 2000 AD. The legend has reached us through the legend of the swan, which is the legend of the swan.
